

Idaho Department of Parks & Recreation

GRANT WORKSHOPS

Waterways Improvement Fund

Recreational Vehicle Program

Off-Road Motor Vehicle Fund

Recreational Trails Program

Land and Water Conservation Fund

The Idaho Department of Parks and Recreation (IDPR) will be conducting combined grant workshops on the above-listed programs, in various areas of the state. The purpose of these workshops will be to review the administrative rules and guidelines, give instruction on how to fill out an application and explain the evaluation process. All prospective grantees are encouraged to attend these free workshops.

If you plan to attend, please **RSVP no later than October 20, 2004** by calling Kathy Muir at 334-4180 Ext. 258 or TDD 1-800-377-3529.

MEMORANDUM

DATE: September 27, 2004

TO: Potential Grant Applicants

FROM: Idaho Department of Parks and Recreation
State & Federal Aid Program

SUBJECT: Funding for Recreational Improvements

The Idaho Department of Parks and Recreation (IDPR) announces that applications for funds from the Recreational Vehicle Program, Waterways Improvement Fund, Off-Road Motor Vehicle Fund, Recreational Trails Program, and the Land and Water Conservation Fund will be accepted until January 28, 2005.

The **Recreational Vehicle Program (RV)** is used to provide facilities, programs, or services for the health, safety or enjoyment of recreational vehicle users. Recreational vehicles are motor homes, travel trailers, pickup campers, tent trailers, and van conversions.

The **Waterways Improvement Fund (WIF)** is used for the protection and promotion of safety, waterways improvement, creation and improvement of parking areas for boating purposes, boat ramps and moorings, marking of waterways, search and rescue, and all things incidental to such purposes including the purchase of property.

The **Off-Road Motor Vehicle Fund (ORMV)** is used to acquire, purchase, improve, repair, maintain, furnish, and equip off-road vehicle facilities on public or private land and to assist with the enforcement of laws and regulations governing the use of off-road vehicles.

The **Recreation Trails Program (RTP)** is used to acquire, purchase, improve, repair and maintain trails, trail facilities and sites for **both motorized and non-motorized** trail uses.

The **Land and Water Conservation Fund** is granted to local governments for outdoor recreation enhancements such as playgrounds, ball fields, swimming pools, tennis courts, etc.

If you are considering a project that may qualify for IDPR grant funding, it is recommended that you contact your regional Grants Specialist now. For northern Idaho call Tami Johnson at (208) 769-1511; for the Boise or Twin Falls area call Jill Murphey at (208) 334-4180 Ext. 226; and for eastern Idaho call Heather Westenzweig at (208) 525-7121. Fall is a great time to schedule a visit with IDPR staff or advisory committee members to let them know what you are planning.

On the reverse side of this memo is a notice announcing the upcoming IDPR grant workshops for the above-listed programs. Agency representatives that plan to apply for funding from any of these programs are strongly encouraged to attend. If you plan to attend one of these workshops, please RSVP to Kathy Muir at (208) 334-4180 Ext. 258 prior to October 20, 2004.
